

PENTATHLON & BIATHLON

Welcome

It is with great pleasure I am welcoming a record 178 athletes from 31 different academic institutions to Oxford this year to take part in the BUCS Championships. This is the 10th Championships being held in Oxford, having started as the National Student Modern Pentathlon Championships in 2000. In 2003 the BUSA Modern Biathlon Championships, was run alongside the pentathlon for the first time and in 2006 the Pentathlon event finally got full BUSA status.

Since last year's event both of the governing bodies by which the event is sanctioned have changed their names (MPAGB to PentathlonGB and BUSA to BUCS) and since the beginning of the year the sport has been subject to a new format (with the shoot and run events combined). However, this year the event will be run under the old format with separate run and shoot events. Those who are returning from last year will also notice that the venue are unchanged and the time table also very similar.

The reason for holding on to the old format is because we see the event as being at the end of the academic sporting season which began in 2008 but also because PentathlonGB have not yet finalised their policy for the new format. In 2010 it seems it will probably no longer make sense to run with the traditional 5 distinct event format as both of those reasons will have expired; I had anticipated having a quick meeting to allow us to consult athletes on how they would like BUCS to accommodate the new format but with the large number of entries time restraints mean this will not be practical. If you do have a view on the new format within the BUCS event please feel free to drop me an email after the event.

The staff at all the venues are extremely accommodating, having so many students descending at the same time is very disrupting and they all provide us with a huge amount of assistance. If you get the opportunity to say thank you for their help please take it. I would like to thank Jane and all the staff at Blewbury for accommodating a huge amount of riders and supplying all the horses, David White and all the staff at the Iffley Road Sports Complex for accommodating the shoot, fence and swim events which causes great disruption to their usual schedule and to Walter Sawyer for allowing us use of the University Parks once again.

Good luck to everyone. I hope you have a great weekend and achieve all the great performances you desire.
Ben Measures, Competition Director.

Competition Mobile

We have a mobile for the competition (07831329514). This will be held at the venues. Please call this only if really necessary.

The Rules

The competition shall be run in accordance with the 2007 UIPM Modern Pentathlon Rule book with MPAGB amendments, and additional rules dictating the scoring of the BUSA Pentathlon. This document is not in anyway to be considered a rule book for the competition.

Jury of Appeal:

In the case of an appeal the jury shall be, Mr Ben Measures, Mr Thomas Kennedy joined by the OIC of the relevant event. The jury will hear reasonable argument and then shall make a fair decision according to the rules. The jury's decision is final.

Team Rules:

Pentathlon teams consist of three athletes of either sex each of whom must contest four events. Should an athlete not start all four events for any reason, the team will not be eligible. In addition, each of the five events must be contested by at least one member of the team. The team score is the sum of the best four scores of each individual regardless of the events in which those scores were obtained.

Biathlon teams consist of three athletes of the same sex: the team score is calculated as the total of the three individual scores. No team changes can take place after the beginning of the first phase of competition.

Those completing a 'fence-tetathlon' are entered into the pentathlon competition with no ride score.

Further Information:

Ride:

The ride will be a show jumping course (90cm/ 3ft) on an unfamiliar horse allocated by ballot. You will have 15mins on your horse in the collecting arena, during which time you may make no more than 4 practice jumps. You must make sure you jump in the correct direction.

Fence:

Depending on numbers, the men's and women's fence may each be split into two seeded pools. Pool lists will be published during the respective warm ups on Saturday in the Sports Centre.

Shoot:

Please arrive promptly to report to gun control at least 10minutes before you are due to shoot. Ladies in the first detail must make sure to arrive promptly on Saturday morning. Those in the fourth detail will need to move immediately to/from their fence. A small number will need to shoot immediately after fencing; whilst this is not ideal I hope those individuals will understand that there is no alternative to get the large number of athletes through the 5 events in the time available.

Run:

3 laps of a 1000m course in University Parks.

Swim heats:

8 lengths of a 25m pool.

The swim heats in the program as accurate as of 8th March. There may be alterations so please check your heat on the heat lists poolside.

BUCS Medals are awarded to the top three individuals in the Pentathlon and Biathlon (Male and Female), and the top three teams in the Biathlon (Male and Female) and the Pentathlon (Mixed). BUCS medals can only be awarded to members of Universities eligible under BUCS criteria; alternative medals will be awarded to 6th formers. In addition trophies are awarded to the highest scoring teams and individuals.

Competition Officials

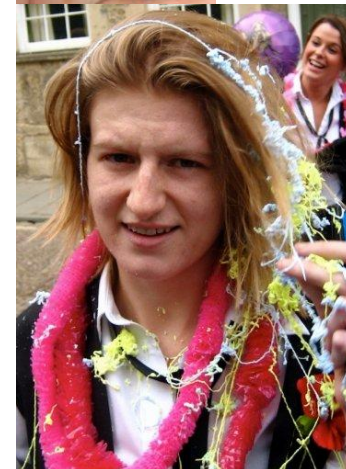

If you need help during a phase of the competition these are the faces to find (or... an excuse to print some dodgy pictures taken off facebook):

Mr Noel Cochrane, Miss Rachel Lund & Mr Charlie Sheldon (Results Team): Three recent graduates who competed in last years competition (Finalists take note!!) Please make sure you give them space when they are working as they will have a lot of numbers to crunch over the weekend!

Miss Charlie Miles (Ride IC): Charlie will be in charge of the ride but will also be staying to help with the other events on Saturday.

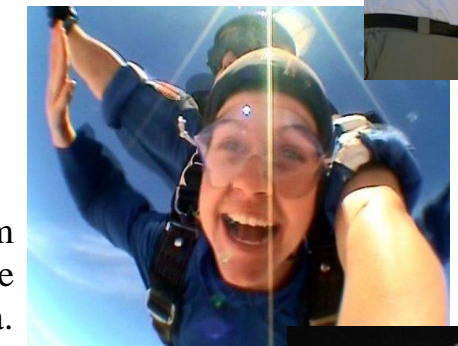

Mr Bill & Mrs Jan Bland (Shoot IC): Shooting coach to a large number of international athletes Bill will be running things on the range with his wife, Jan. They will also be helping on the run.

Miss Kate Cokayne-Naylor (Fence IC): Kate graduated last year (see inset picture) and has returned to help run this years event.

Miss Penny Sellers (Swim IC): Special skills include salsa.

Mr Ben Measures (Competition Director)

Mr Tom Kennedy (Ex officio): Tom is one of the event's founders so I'm very grateful that Tom is going to be on hand for the duration of the weekend once again this year.

Maps and Directions to Venues

Getting to the events:

Ride – Blewbury Riding Centre (OX11 9NH)

The ride is out of town, head south out of Oxford on the A30 and turn west on to the A4130 (going under the A30) towards Wantage. At the round-about where the road meets the A417 you turn left, east towards Harwell and Blewbury. Passing back over the A30 you go past the village of Upton and then through Blewbury and turn left after the service station at the end of the village on to the B 4016 towards Didcot. Blewbury riding centre is about half a mile down on the left hand side. Please turn up on time! There will only be one opportunity to walk the course at the beginning of the competition. There will be over 60 riders, so please be patient if you have to wait until a later round.

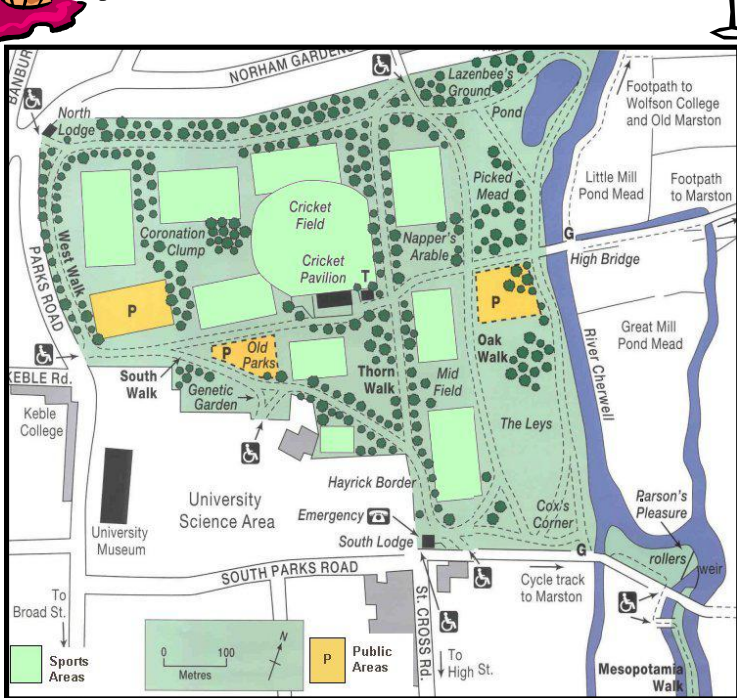

Shoot, Fence and Swim – Iffley Road Sports Complex (OX4 1EQ)

The gym is best approached from Jackdaw Lane off Iffley Road (A4158). Jackdaw Lane is on your right immediately before Greyfriars College as you go up Iffley Road from Magdalen round-a-bout (which is at the Oxford end of St Clement's Street, Cowley Road and Iffley Road). The fence will take place in the main Sports Hall, the shoot in the Cricket Schools at the same complex.

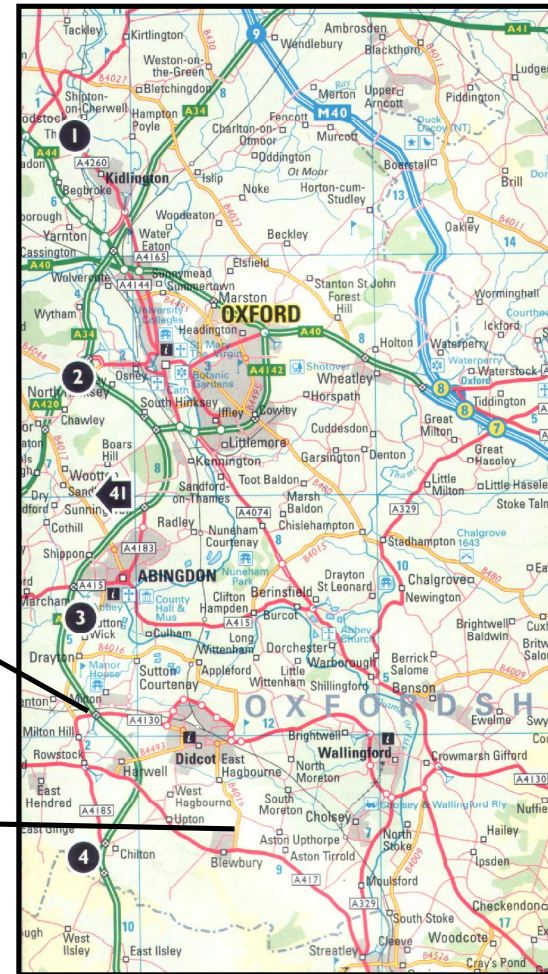

Run – University Parks (OX1 3RF)

University Parks is central so please car share if possible as parking is limited and subject to pay and display (Norham Gardens or Keble Road). From the sports centre head into town across Magdalen Roudabout up towards the high street. Turn right into Longwall Street and follow this to the end as it snakes around the science buildings. Turn right into Parks Road and continue past the University Museum. The parks are then next on the right.

After Party – Pub to be chosen at prize giving... after pub to be later...
